Upcoming Training and Events!

AI Tools in General Practice - What's out there and how can it help patients?

Wednesday 18th June | 14.30 - 15.30

Microsoft Teams

Your practice digital door is even more a focus what with the contract changes earlier this year, rising running costs, budget squeezes, and higher patient demand. This session looks at how to maximise the use of your systems for safer and manageable patient care.

Special Meeting: Primary/Secondary Care Interface

Wednesday 18th June | 19.00 - 21.30

Belton Woods Hotel, Belton, Grantham, NG32 2LN

We welcome colleagues from a variety of primary and secondary care organisations to put faces to names and discuss interface challenges in a safe and friendly environment. The aim is to strengthen relationships and build communication networks in order to make day to day interface easier for everyone.
