GPAS – COMMENT / ANALYSIS

The county wide assessment this week is **AMBER / OPEL 3** with **58%** of reporting practices assessed as **AMBER**, **3%** reporting as **RED**, **0%** as **BLACK** covering a total patient population of **224,262**. **GREEN** assessments account for **39%**.

In addition to the standard report attached, we have received the following information affecting General practices:

Other comments:

- Annual leave, sickness and other absences (i.e. compassionate).
- Continuing with flu and covid clinics.
- High levels of DNAs (one practice reporting over 300 in October), Increase in patient contacts.
- Concerned about the lack of winter pressure support this year due to the ICB budgets, workload is relentless.
- Concerned about relying on locums to cover due to cost, recruitment challenges continue.
