Complete the GP Society Survey Here!

Lincolnshire LMC runs a GP Society meeting (including dinner) every other month for GPs to socialise, build a supportive network, and bank some educational time for appraisals. We would love to hear your thoughts on what would entice you to attend if you have never been before or what would improve your experience if you already attend. Please complete this very short survey to let us know how we can improve...

## IGPM Accreditation Cohort

### Starting soon...

Lincolnshire LMC are offering all Lincolnshire General Practice Management the opportunity to become accredited members of the IGPM. For more information click the 'BOOK NOW' button.

The IGPM was created to support the development and career progression of the General Practice Management community and provide a governing body through which managers can become accredited and fully recognised as a distinct profession. There are many benefits of being a IGPM member both to the manager and to their practice.
