GPAS – COMMENT / ANALYSIS

The county wide assessment this week is **AMBER / OPEL 3** with **70%** of reporting practices assessed as **AMBER**, **3%** reporting as **RED**, **3%** as **BLACK** covering a total patient population of **323,311**. **GREEN** assessments account for **24%**.

In addition to the standard report attached, we have received the following information affecting General practices:

Other comments:

- Significant sickness throughout the practice in both the clinical and admin teams. Increase in respiratory illnesses.
- Increase in patient demand, especially wanting advice for respiratory issues. The practice has quite a backlog.
- Staff annual leave / sickness a continued problem affecting capacity. Locum to replace cancelled.
- DNAs is a huge issue (7 x DNAs = 1hour and 15 minutes)
- Nurse recruitment is a challenge.
