## Clinical Coding for Primary Care Staff

**17th April 2024 | 13:30-15:30 | MS Teams**  
 During this detailed session, delegates will come to understand what SNOMED CT is, how effective coding can support QOF aspirations, the links between SNOMED CT and e-RS, the process to ensure that coding is accurate and how to search for codes. Any staff member who would benefit from enhancing their level of knowledge of coding and the use of SNOMED CT

## NB Medical Hot Topics

### Update

8th May | 6:30-10:00pm | Woodhall Spa

We are delighted to once again be able to offer Lincolnshire GPs and advanced clinicians the opportunity to attend the NB Medical Spring Hot Topics Update at the Dower House Hotel in Woodhall Spa. Join your peers in this lovely setting to network, meet with sponsors, grab supper and engage in the update which will cover a range of the latest Hot Topics in Primary Care. All the presented topics are based on recent national guidance and research, and use clinical cases to illustrate the learning points...
