GPAS – COMMENT / ANALYSIS

The county wide assessment this week is **AMBER / OPEL 3** with **69%** of reporting practices assessed as **AMBER**, **8%** reporting as **RED**, **0%** as **BLACK** covering a total patient population of **283,902**. **GREEN** assessments account for **23%**.

In addition to the standard report attached, we have received the following information affecting General practices:

Other comments:

- Multiple reports of staff leave, sickness and covid vaccinations affecting capacity.
- 10 x DNAs = 2 hour 25 Minutes lost appointment time.
- Continued reliance on unfunded locum support to meet demand of patients.
- Patients are being sent home from hospital without enough medicines and then coming to GP for them.
- Reception and Admin staff numbers have been impacted by sickness coinciding with leave. Using managers and other team members to provide cover at peak times.
