with the IGPM.

Level 5 General Practice Manager Apprenticeship

The course is made up of 10 modules covering different aspects of management.

FOR MORE INFO GO TO OUR EVENTS PAGE

This course is made up of 10 modules covering different aspects of management, including a workplace project. This programme has been developed in partnership

with the IGPM to make it more relevant to general practice than the usual generic management course. In addition, the programme will run alongside the IGPM accreditation domains so by the time students complete, they should have everything they need to submit their IGPM accreditation application.

Suitable for:

- Individuals already in a management role within a Lincolnshire general practice who do not already hold a L5 qualification and who are wanting to develop.
- Individuals new to practice management.
- Team leaders and departmental managers aspiring to become practice managers in the future.

This is a great opportunity for practices to nurture talent and support succession planning.

Refresh, Renew, Reconnect 2025 - Learn and Connect

**Refresh, Renew, Reconnect 2025 - Learn and Connect | Village Hotel,
Nottingham | 25 February**

Back for another year, the RCGP Vale of Trent Faculty brings this one-day opportunity to feel refreshed, renewed, and reconnected with general practice.

Ideal for all GPs, this one-day event blends clinical CPD, personal development and wellbeing.

The programme includes the following

- CPD sessions about functional neurological disorders, cancer prevention and early diagnosis and frailty.
- Coaching sessions about managing time whilst developing a portfolio career, improving self-awareness and communication with others and GP wellbeing support.
- Engaging creative sessions including chocolate making and tasting, plant potting and relaxing wellbeing sessions.

Where else can you develop your CPD skills alongside enjoyable creative sessions?

To find out more or book your spot click the link below. Numbers are very limited so don't delay!
