The county wide assessment this week is **AMBER / OPEL 3** with **62%** of reporting practices assessed as **AMBER**, **10%** reporting as **RED**, **0%** as **BLACK** covering a total patient population of **184,654**. **GREEN** assessments account for **29%**.

In addition to the standard report attached, we have received the following information affecting General practices:

Other comments:

- Multiple reports of DNAs being high wasting clinical capacity.
- GP and other staff sickness absences are still having an impact on appointment availability.
- Staff off sick - no one able to cover (Admin and Reception).
- Patient demands are unrealistic.
- Patients arguing with what a GP has said.
